The new Hyatt Palm Springs, formerly the Hyatt Regency Suites, offers two getaway packages to downtown Palm Springs.

They include the one-night “Pedal Through Palm Springs” package for two, starting at \$189 — a \$50 savings.

It’s valid through May 31 and features breakfast at the hotel’s SHARE small-plates bistro, as well as bike rental and a map of the Palm Springs Walk of Fame, with its gold palms embedded on the sidewalks of the city.

The two-night “Thursday in the Village” package for two runs through June, including a \$25 food credit to the hotel’s Hoodoo lounge and a front row to the weekly VillageFest marketplace, featuring a farmer’s market, live music and arts and crafts.

Prices start at \$139 a night. 285 N. Palm Canyon Dr.. 760-322-6009, [www.palmsprings.hyatt.com](http://www.palmsprings.hyatt.com).
